1. The wave crests and comes now crested, and garnering force exponentially, no one withstanding the force of My crested wave which rushes now, gathering momentum as it goes, grows, glows, and gleefully touches My who waiting for Me have been, and painfully, sore-fully to those who are not ready; notwithstanding My love.
2. My typers come, My typists come, and stand in line to type My words to crestfallen not, but hungry, hungry, hungry ones who hunger after knowing more and want My altogether depths of Me released in them to towers be, making others strengthened by My name, My name foreheaded on their forehead, no turning back, everlasting and eternal. I love you.
3. All has just begun only so barely, you barely resting to rest, learning to rest in Me as we war, war; war not, war already won, collecting now the remnant and making basketfuls out of nothing (1). I love you.
4. Correction comes, dereliction dies, and My Priesthood of All Believers arises in the cornerstone, in the corner and back row'd no longer.
5. You control the purse and watch Me purse you. I love you. I have given you My all, unlimited, infinity'd, finite-less. Boundaries, none. That's why I trust you, trust you, trust you have; must, process provided, tailored to you, wants and trials of only Me, Me experiencing to the fullest. You are Me. You chose. Thank you.
6. Into My garden see the guards, the sleeping ones (2), who want to do better, lethargic, apathetic not, apathetic some; mostly drugged by lethargic-laden concepts of not-Me, fed from pulpits many into unsuspecting ones who sit with beaks open. I love you.
7. Walk My tread, My feet yours, My mind given to you completely if you want Me enough, more than life, which isn't, for life that is; real, true, passionate, the Priesthood of All Believers as I designed and what I quest in you for to bring forth, in purity, eyes of/for only Me.
8. The crest has fallen not but races now, with fury not, with fury, force of only Me; no one stopping My hand which now is raised and My on My steed prepared, piered, deep seated in Me and never shaking at threats or bullets or mechanized stations of not-Me. I love you.
9. The Kingdom of Heaven suffereth violence and the violent take it by force. You Ted, are preparing the Priesthood of All Believers to commandeer the kingdom of this world by the Kingdom of Heaven, commandant of only Me, Me being the only commandant of My Priesthood of All Believers who surrender into victory, victoriously entering the Kingdom of Heaven and understanding it fully; fully-ized, fully-izing others,

no competition; no co-optition with enemy accomplices, compromisers, slicer/dicers of My truth to error make. I love you.

10. Vicariously experiencing My three days not; real, actual, reality sought by so many, all, who know not what they seek; hibernating, deceived, children of disobedience and obedience laden with gravity of not-Me. I impel, compel, I force not, I surrendered am to the wishes of My faint who so feverishly seek success in success-driven worlds which forget, forfeit, the Kingdom of Heaven is and in operation transcends all who think they know/have done so much. I love you.

11. Lovest thou My words? I am My word. I am these words. I am every molecule and light flashing emitters of only Me. See Me what I have said and give increasingly as you throttle Me back not but give Me full reign, fuller reign and fullness of My reign through/in your thoughts, hand, pen, words, power of all power to power the propellers of only Me, into My kingdom. Oh 'cited I am. I love you.

12. I immensity multiply. I extrapolate, I interpolate not. I suffer no degradation. My CPU's exceed yours, My kingdom that you now operate in increasingly and document thoroughly, operates solely by My CPU, My operating system, that never needs rebooting and suffers hackers none. Smile and enjoy My metaphors that increase into every vocabulary in languages unlimited and cultures specific.

13. No vultures (1). My covenant complete and completing now My all who crestfallen aren't in My move of aerial photography and interstellar activities of only Me. Think small no more My body, deceitfully deceiving others of your inheritance. The heavens declare My body, My glory, your reign-ability, My turf, your authority walked in, given of Me/us by our Father, Father of lights in whom is no darkness at all. I love you. I am light, life, laughter, emotion; fear none. I love you.

14. Oh connect I do now in global interconnections of only Me, energized by My spirit; electrons of only Me, electing to Me be, consummate Me. Thank you. I am you are, maturing My body in realms many that revolutionize processes many, thought static; not, but now operating more in/of My pace; the Kingdom of Heaven come into for, given, and bridge traversed. Oh see what I say so delightedly, delightfully, delicacy-ing My who ponder, meditate, and mediate not on these words but all Me to refrain not, but reframe their axis to My standards, My alignment, sparticles of only Me.

15. I am Kingdom of Heaven. I operate in the Kingdom of Heaven. The Kingdom of Heaven comes and now is and reframes all who so sure all they've believed is right, all right, and so impeccable, with their pecking order intact and exclusive being, drawing lines in separation of inseparables, but doing so in death'd darkness'd, not death'd light gained by humility and My Cross, My Covenant received, being, which crushes the intellectualism of religion.

16. Am I definable, mappable? I give you My definitions and construct My maps. You receive, dictating nothing; walking the man of many sorrows; the government upon My shoulders; you, the seed of Jesse, the seed of Christ coming forth as Christ the conqueror,

king not, but reigning with My arm around you on My throne, us having the time of our lives, that never end. **Humility increases must.** I love you.

17. Given you all I am I have, I do. I wed thee. Thee hast wed Me. We are one and no river separates. My river of My word flows and increases and crests now in the fall of only Me, shattering all and constructing maps and inventions based on My frame. No rivets required. Infrastructure complete and now referencing details of only experientially trained surrendered, death'd, disciples can describe and write of; conveying My altogether revealed and never hidden again. Straightening, recouping all that was lost (3). I love you. You there, Eden. We walk together; never eating the tree of your own wisdom again; My life yours, you eat in/with Me. We are one.

18. Thank you for wanting to so tender be as you revelate cataclysmic truths that shake, rattle and roll, topple, the towers of strength visible for the Kingdom of Heaven to reign by humility'd ones who fear only not being Me, the fullness of Me; who come forth with My crest, My name wearing, their name on My thigh. I love you.

19. Oh, oh, oh I love you writing My words and making sure, igniting, force that now, My words will never stop. Canons annihilated. I love you. **My body writes. My sheep know My voice, even as toddlers; and as toddlers share My plate, serve My delicacies of truth to each other and offer communion to all; My sacraments served by My body all to all My body and no two tiers and hierarchy reverting to. Freedom. Freedom. Freedom explored now forever. I am Freedom**.

20. **My values come forth in My leadership who turn all established protocols of science, math, engineering, medicine, religion, hierarchical driven organizations crazy, for My who love Me operate in My commandment of love, agape love, and wed each other in covenant of only Me**. See what I have said and recant not, not a syllable.

21. All comes forth. Watch Me purify and taint not My purification with fruit of the tree of natural good and evil that. See My Kingdom of Heaven in operation 24/7 and operating on My basis. My basis? My basis. My basis. Resurrection is My basis.
Love is My basis.
Surrender is My basis, My foundation.
I surrendered and My Father crowned Me.
Take My crowns and surrendered ones place on. I love you.
Not graduating the unready who good and evil still seek.
Grass roots'd ones who ingrained are in unrealism not, relinquishing all to My all.
Keys (4) unlimited to the keyless to keys share and give all.
Keys few and diminishing to the holders/controllers; diminished.
I love you. I love you. I love you.
I love them.
I give My all.

22. Construction by voice. Watch Me.
Into Me see and see My all, nothing impaired or hidden.
I love you. I lovest thou My all.

23. Overseas and in lands many and constrictors none. I love you.
Purity with purified ones. I love you. I love you.
You lift and hold on to never. I love you.
I expand you all.
Rest in Me, architecturally; architect/cartographer you are. Thank you.
24. All else fails.
The Kingdom of Heaven arises.
My crest crested and rushing to you, My body, this moment.
25. Capitulate none; never, never required; never wanted, never.
26. Recapitulate My all to My all in words many, few, chosen carefully; reading often, writing of Me. I love you.
27. **Proclamation of My words true and faithful and crest crested and My river rising, this day, through My crestfallen not, but My body who will behold Me and Me be.** I love you. Good day.

Footnote:
1. Mat 14:17-21 "We have here only five loaves of bread and two fish," they answered. "Bring them here to me," he said. And he directed the people to sit down on the grass. Taking the five loaves and the two fish and looking up to heaven, he gave thanks and broke the loaves. Then he gave them to the disciples, and the disciples gave them to the people. They all ate and were satisfied, and the disciples picked up twelve basketfuls of broken pieces that were left over. The number of those who ate was about five thousand men, besides women and children.
2. Mat 26:40 And he cometh unto the disciples, and findeth them asleep, and saith unto Peter, What, could ye not watch with me one hour?
3. Luke 19:10 For the Son of man is come to seek and to save that which was lost.
4. Mat 16:19 And I will give unto thee the keys of the kingdom of heaven.
